

PRATHAM PRASHANTH

SUMMARY

Financial Analyst with hands-on experience in financial modelling, equity valuation, and client portfolio advisory across insurance and wealth management domains. Proven ability to generate ₹45–50 lakh in premiums while managing a 100+ client portfolio with 100% retention. Skilled in building DCF models, conducting sensitivity analysis, and generating actionable investment insights.

WORK EXPERIENCE

Wealth Management & Financial Planning Intern

Geojit Financial Services | Udupi

Feb 2025 – May 2025

- Conducted risk profiling for 40+ clients, supporting advisors in designing allocation strategies.
- Produced 10+ market research reports used in client reviews, improving investment clarity.
- Assisted in 5+ client presentation decks, integrating visuals that improved client engagement.

Financial Advisor (Part-time)

HDFC Life | Udupi

Nov 2024 – Present

- Advised 100+ clients on life insurance products aligned to financial goals.
- Simplified complex products into clear solutions, improving adoption and retention.
- Built client advisory skills transferable to wealth and investment analysis.

PROJECTS

Financial Modeling & Valuation – Eicher Motors Ltd.

- Built a fully automated 3-statement financial model with linked assumptions and dynamic outputs.
- Conducted DCF and multiples-based valuation to assess business value and performance.
- Designed the model to support scenario and sensitivity analysis. [Link](#)

Operations & Financial Analysis – HDFC Life Insurance

- Studied operational workflows and analyzed financial statements to evaluate business performance.
- Interpreted key ratios to support insights on efficiency, profitability, and growth. [Link](#)

UAE Stock Dashboard
